## Health Check

Have you had one or several of these issues which can not be explained otherwise?

- Coughing more than usual
- Symptoms of a common cold
- Fever or elevated temperature
- Shortness of breath
- Loss of taste and smell

Does anyone in your household have mild symptoms accompanied by fever or shortness of breath?

Have you have COVID-19, and was this confirmed by a positive test\* within the past 7 days?

Are you in quarantine because:

- You are a household member or close contact of someone with a confirmed COVID-19 infection?
- You just arrived (or returned) from a COVID-19 risk area?\*
- You received a notification from the Coronamelder app?

If you answer any of these questions with yes, don't visit the knights
